NOTES ON COMPLETION

1. Please use type as designated on type certificate sheet.
2. The CAA CI must be able to verify capability on type. For EASA type approvals this will be the schedule for FAA approvals the relevant pages of the 'Ops' Specs' should be submitted.
3. These are required in order that the CAA can identify that the operator or owner has authorised the facility nominated. Financial information may be omitted. For renewals the service agreement need not be supplied if it is a continuation of the original submission.
4. Dates cannot be retroactive. For renewals the date may continue from the expiry of the previous authorisation. Applicants should allow five working days for processing.
